What's In Your Attic?

SANDICAL Inc. is pleased to provide collectors and the general public with a valuation of their stamps, covers, and other philatelic materials throughout the Show, Friday through Sunday. A foyer table has been established for that purpose. Individuals having their material evaluated are encouraged to visit our Dealers to obtain additional appraisals and/or obtain offers for sale.

A Special Thank You –

SANDICAL Inc. would like to extend a special thank you to KUSI TV for its past and present support in providing extensive public service announcements in support of SANDICAL, to the American Philatelic Society for the Eblast announcing the Show, and the Al Bahr Shrine for its continuing support.
